5th ACE TEAM AWARDS INTERNATIONAL COMPETITION (VIRTUAL)
13-17 SEPTEMBER 2021
in conjunction with the APQO and Qualcon 2021 Conference in
October 2021

The Asia Pacific Quality Organization works towards encouraging and recognizing quality professionals and organizations.

The Awards for Contributing to Excellence (ACE) are to recognize and celebrate organization's teams contributing to quality advancement and business excellence at workplaces across all sectors in APQO member countries.

ACE showcases organizations embracing validated, proven and sustainable management best practices and quality systems for quality advancement and business success to support Asia Pacific economic development, growth and success.

The Awards promote the adoption of proven or new approaches, strategies and best in class practices of operational performance. To stay competitive, these driving forces may include:

- 4th Industrial revolution enabling technologies
- automation and data technologies
- smart manufacturing
- service 4.0
- digital transformation
- data analytics
- development of smart talents
- customer focus
- smart processes
- process review
- continuous improvement

ACE is the only international team recognition process of its kind and recognises on an international platform the best of the best.

Introduced in 2016, this competition provides an opportunity for teams from diverse organizations to engage and share their knowledge utilising a variety of continuous process improvement, innovation and productivity enhancement efforts. As such, participation in the competition provides an excellent opportunity to:

- Acquire professional recognition
- Learn and share
- Benchmark and leap
- Celebrate knowledge

PARTICIPATION FEES

ACE Team Registration: **USD 250 per team (See notes)**

Each Team Member, Supporter/Facilitator/Leader:

USD 300 per person (includes ACE Competition and one month access for full conference in October 2021).
